Written by Done'o

Chorus

Nights like this

Tell me, what you know about vibes like this?

Don't you worry 'bout troubled days before, **no, no, no**

It's a brand-new start, it's a brand-new day

Tell me, nights like this

Tell me, what you know 'bout vibes like this?

Don't you worry 'bout troubled days before, **no, no, no**

It's a brand-new start, it's a brand-new day, yeah

Verse 2

Baby, ooh

As I woke up this morning

You were the only thing on my mind, and

Baby, don't know what it was you did

But you did it to me right on time

You bring out the lover in me

You bring out the love in me, so
I see the birds and bees
Touch like a summer breeze, oh
Baby, it only happens when you're next to me
I feel something in my soul
Let your energy take over me, and we go

Chorus
