

# You've Got A Friend written by Carole King

Verse 1:

*Lead: When you're down and troubled  
And you need some love and care  
And nothing, nothing is going right  
Close your eyes and think of me  
And soon I will be there  
To brighten up even your darkest night*

**Chorus**

**You just call out my name  
And you know wherever I am  
I'll come running, to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend  
You've got a friend, You've got a friend in me**

Verse 2:

*Lead: If the sky [Altos/Sops/Tenors Ooooooo] above you  
Grows dark and full of clouds  
And that old north wind begins to blow  
[Altos/Sops/Tenors Ahhhhhhh]  
Keep your head together  
And call my name out loud  
Soon you'll hear me knocking at your door*

**Chorus**

**You just call out my name  
And you know wherever I am  
I'll come running, to see you again  
Winter, spring, summer or fall  
All you have to do is call  
And I'll be there  
You've got a friend**

**You've got a friend, You've got a friend in me  
You've got a friend, You've got a friend in me  
You've got a friend, You've got a friend in me  
You've got a friend, You've got a friend in me**

**You've got a friend, You've got a friend in me  
You've got a friend, You've got a friend in me  
You've got a friend, You've got a friend in me  
You've got a friend, You've got a friend in me**
